

Transcript Request Form High School Transcripts

Instructions to the student: Your high school transcript is required to complete an application for admission to Cornish College of the Arts. This transcript should be sent directly to the Cornish College Office of Admissions by your high school.

If you have attended more than one high school please make sure all course work is recorded on the transcript you have sent. If it is not you should contact the other high school(s) you have attended and request a transcript be sent to us.

We've designed the form to make the process easier for you. Fill-in the information below and give the form to the appropriate staff member at your high school. If you have graduated already you will have to mail or fax this form. DO NOT assume handing-in this form is all you have to do! Your school may have its own form you need to complete. Also, it is YOUR responsibility, as an applicant to Cornish, to complete your application for admission. Please make sure you follow all the procedures for requesting transcripts at your school and we recommend you follow-up a few days later to make sure the request has been processed and the transcript mailed.
