

First Year SFSA Students (Fall 2022)

Starting at Cornish

Like SFAI, the Cornish visual arts academic programs focus on a range of mediums - drawing, painting, photography, printmaking, sculpture and digital media. and spend time in the studio every day thinking, doing and working with their faculty, studio technicians, and classmates. The studio art program integrates practice, art history/theory, and general education together to both enrich and inform students' studio practice.

Your contact is Albert Rubio. Albert has deep experience in Arts education and he is familiar with SFAI. Albert will guide you through this process wherever you may need help.

- **Automatic Admission** - Recognizing the rigorous admission policies of SFAI, Cornish will provide automatic admission to SFAI students who hold regular status admission. We still need official copies of your admission documents [outlined here](#) but rest assured you are IN **Students admitted to SFAI under an alternate admission policy such as "probation" will be examined on a case by case basis.*
- **Living Space** - Our wonderful residence hall has space available for SFAI students. See pictures and watch the [video here](#) and find [more information here](#)
- **Financial Aid Counseling** - Our staff is prepared to consult with you regarding the best approach to maintaining the most generous aid package possible while remaining inside the boundaries of Federal and State guidelines of course. Domestic students should be sure to have their FAFSA sent to Cornish. Our school code is: 012315. • Financial Aid Counseling - Our staff is prepared to consult with you regarding the best approach to maintaining the most generous aid package possible while remaining inside the boundaries of Federal and State guidelines of course.
