2.3.2. The College will notify Core Faculty members at the end of the academic year prior to the academic year in which they will reach the highest step level in their current rank on the salary/rate grid that they are eligible for promotion. The Core Faculty member must submit application materials and be accepted for promotion during that subsequent academic year in order to continue advancement on the salary/rate grid or they will remain at their current step level until they do so.

2.3.3. An Assistant Professor must apply for promotion to Associate Professor when they reach the highest step for Assistant Professor.

2.3.4. If a Core Faculty member applies for promotion and is denied, they may appeal the decision to the Provost, and if again denied, to the President. If the decision stands after the appeal process, the Faculty member must forgo the next promotion application cycle, unless an exception is granted by the Employer.

2.3.5. Promotion requirements and processes beyond what is detailed in this agreement will be determined by the Faculty Senate Promotions Committee and the Provost.
2.4 REQUEST FOR CREATION OF A CORE POSITION

If an Adjunct, Interim or Visiting Faculty member has been teaching a full-time equivalency for four consecutive semesters in the same curricular area, the Federation, in conjunction with the Faculty member, may request the College create a new Core Faculty position. Such a determination must be made by the Provost in writing by the end of the Semester following the Semester in which the request is made, and will be shared with the Federation and the requesting Faculty member(s). If the position is opened and a search is undertaken, the Faculty member may apply for the position and automatically be a finalist.

2.5 TRANSITION IN AND OUT OF THE BARGAINING UNIT

2.5.1 Upon promotion to a position outside the bargaining unit, the Core Faculty member will retain their academic ranking.

2.5.2 A Core Faculty member appointed outside the bargaining unit in an acting or interim capacity for a specified period of time will be guaranteed a return to the Faculty with a rank commensurate with their status at the time the acting or interim appointment was initiated. Faculty seniority and placement on the rate/salary grid will continue to advance during their absence from the bargaining unit. Upon return to the bargaining unit, the Faculty member will be appropriately placed on the step/rate grid in consideration of that advancement.

2.5.3 Service outside the bargaining unit will be considered in subsequent applications for promotion.

2.5.4 A member of Academic Affairs, for example an Academic Dean, appointed from outside the ranks of the College’s Core Faculty will receive an academic ranking but will not be a member of the Faculty bargaining unit.

2.5.5 If a member of Academic Affairs, for example an Academic Dean, who is appointed from outside the ranks of the Core Faculty chooses to resign, they may ask to join the Core Faculty of the department, but the Employer does not guarantee this placement. If such person was not previously a member of the Core Faculty of the department, they will not be assigned a Core Faculty position if such a move will reduce or eliminate an existing Core Faculty member’s position.
3. **ARTICLE 3: Shared Governance**

3.1. **PHILOSOPHY**

The Faculty, the administration and the Board of Trustees of Cornish College of the Arts participate in shared governance of the College.

3.2. **DEFINITIONS**

3.2.1. “Shared” means to achieve Faculty involvement in planning and decision-making processes and accountability.

3.2.2. “Governance” as used within this Agreement means the crafting and maintenance of academic guidelines, structures, policies, and procedures by which the College functions. It is understood that the College Administration, headed by the President, has the primary responsibility and authority for approval and implementation; that the Board of Trustees retains ultimate power of approval; and that the College’s accreditation and participation in federal financial aid programs mandate certain courses of action.

3.2.3. “Consensus” means general agreement and depends upon open discussion of the issues.

3.3. **GENERAL PRINCIPLES**

3.3.1. In cooperation with the Federation and the Faculty Senate, the Employer agrees to develop and maintain appropriate structures to facilitate timely and thoughtful consideration of important issues by all appropriate College constituencies, including preserving and supporting the development of the Faculty Senate (see definition below) as the primary representative body of the Faculty in matters of academic affairs, and providing for Faculty membership on College-wide committees and selected committees of the Board of Trustees. The Faculty Senate will establish the method of assigning membership on College-wide committees and Board of Trustee committees in conversation with the Provost. The Federation remains the sole representative of the Faculty in matters of collective bargaining (see Article 1: Framework) and, as such, will represent its members regarding matters of wages, hours, and working conditions, including the ongoing review of the implementation of shared governance.

3.3.2. The Employer will work with the Faculty Senate in an ongoing way to identify appropriate times within the weekly schedule for the Senate and the designated committees to meet. Such meetings will be considered part of the workload of Core Faculty and, as such, their participation in such meetings is to be regarded as an important element of their service and academic responsibilities. While most committee service will be considered a regular part of workload, the Employer and the individual Faculty members may reach agreement in some cases that the level of service may warrant reassigned instructional time (i.e. “course release”) or some other adjustment to workload allocation, beyond any specific exceptions spelled out in Article 12.3.12.

3.3.3. The Faculty Senate shares primary responsibility with Academic Affairs for the academic
program of the College. In fundamental academic areas such as curriculum, subject matter in individual areas of teaching, and methods of instruction for the most effective teaching of those areas, the Faculty has a particular responsibility by virtue of training, expertise, and ongoing commitment to Faculty development and monitoring of evolutions in the various fields. Faculty members exercise this responsibility by participating in a process of dialogue through curriculum committees and with Academic Affairs, and through participation on appropriate College-wide committees, standing or ad hoc. The Employer and the Federation support, where possible, outcomes arrived at by a process of consensus in this committee work. While the authority and responsibility of review or final decision belongs to the Board of Trustees or is delegated by it to the President, or designee(s), such power will be exercised adversely only in exceptional circumstances, and reasons will be communicated in writing to the Senate in a timely manner.

3.3.4. Other important areas of governance that require meaningful Faculty input and inclusion in decision-making processes include, but are not limited to, the framing and execution of long-range plans, the allocation of existing or prospective physical resources, budgeting, the choosing of a new president, the selection of other chief academic officers, and those aspects of student life that relate to the educational process.

3.3.5. It is a responsibility of the Core Faculty to participate with academic leadership in decisions regarding Faculty status, including appointment and reappointment of Adjunct Faculty and promotion of Core Faculty.

3.3.6. Faculty workloads will be established in a manner that is supportive of shared governance (see Article 12: Workload). While participation in shared governance is primarily the responsibility of Core Faculty, there may be times when Adjunct Faculty will need to serve in this capacity (see Article 2: Faculty Structure, Appointments and Responsibilities). In those situations these Faculty members will be given appropriate compensation.

3.3.7. The Faculty has a particular responsibility to maintain currency in their field of study. The Employer and the Federation maintain an ongoing commitment to support Faculty development, including professional leadership training for Faculty in positions of academic leadership.

3.4. FACULTY SENATE

3.4.1. The primary purposes of the Faculty Senate are:

3.4.1.1. To constitute a governing structure that serves as the deliberative body of the Cornish Faculty and represents all Faculty members.

3.4.1.2. To participate in shared governance of the College through the creation and implementation of policies relevant to the Faculty, engagement in key College decision-making processes, and leadership regarding issues relevant to the Faculty as they arise.

3.4.1.3. To advise and provide recommendations to the administration, the Board, and other recognized representative groups of the College on issues of key concern to the
Faculty, including College goals and outcomes, Faculty needs and concerns, and academic matters.

3.4.2. The Senate, in accordance to its bylaws, will hold regular meetings of the entire Faculty at least once per semester to build cohesion among the Faculty and to address College issues of importance to the Faculty in a timely fashion.

3.4.3. The Senate has authority to maintain an oversight capacity on all college-wide committees served on by Core Faculty, regularly review the work of these committees, and retain an advisory role in proposals and actions that all Faculty committees undertake.

3.4.4. The Faculty Senate creates and maintains bylaws and committee policies addressing the function and authority of the Faculty Senate.

3.4.5. The President of the Senate will serve as an ex officio member of the Board of Trustees, with the Vice President of the Senate serving as an alternate. Voting rights of the ex-officio membership are determined by the Board of Trustees.

3.4.6. The Employer will provide reassigned instruction time to allow the President of the Senate to effectively fulfill their role and responsibilities. (See Article 12: Workload) The Employer will also grant adequate means for members of the Executive Committee to carry out their duties and for all Core Faculty members to meet regularly and contribute to the College as Senators, including space, scheduling opportunities, training, or adjustments to workload to account for unusual circumstances.

3.4.7. Adjunct Faculty members serving on the Faculty Senate will be compensated for service related to this position at the Academic Support Task rate.

3.5. COMMITTEE STRUCTURE

3.5.1. Faculty will participate in Department-level, Division-level, and College-wide committees. Those committees deal with, but are not limited to such things as:
   - Curriculum
   - Academic Standards
   - Finance
   - Enrollment and Retention
   - Faculty Development
   - Promotions, Sabbatical, and Emeritus

3.5.2. Faculty will have a representative on the following committees of the Board of Trustees:
   - Finance Committee
   - Facilities Committee
   - Academic and Student Affairs Committee
4. ARTICLE 4: Individual Faculty Rights

4.1. NO DISCRIMINATION

In accordance with applicable federal, state, and municipal laws, the Employer and the Federation will not discriminate. The Employer and the Federation agree that they will not interfere with the right of Faculty members to become or not to become members of the Federation or to participate or not participate in any lawful activities of the Federation.

4.2. PERSONNEL FILES

4.2.1. Human Resources shall maintain personnel files for each Faculty member. Each file shall contain any and all documents needed by the Employer to maintain adequate personnel records.

4.2.2. Performance evaluations, as detailed within Article 5: Faculty Evaluations, and any disciplinary materials shall:

   4.2.2.1. be shared with the Faculty member prior to inclusion in a personnel file
   4.2.2.2. allow for the Faculty member’s signature and date to signify the content has been read and understood
   4.2.2.3. include information regarding the right to respond in writing
   4.2.2.4. allow the Faculty member fifteen (15) work days to respond to such material

4.2.3. Records regarding an employee’s involvement in Faculty grievances shall not be included in the Faculty member’s personnel file.

4.2.4. Upon request and with appropriate scheduling, the Faculty member may inspect their personnel file in the presence of a representative of Human Resources and shall be provided a copy of any document contained in the file.

4.3. OUTSIDE EMPLOYMENT

A Faculty member may undertake outside employment if this employment does not interfere with their Faculty responsibilities as described in Article 12: Workload. Requests for leave from Faculty responsibilities for outside employment shall be submitted as described in Article 11: Leaves.

4.4. MATERIALS AND OWNERSHIP

4.4.1. The ownership of any process, choreography, composition or other intellectual property developed or produced solely for the Employer and at the expense of the Employer shall vest with the Faculty member and be copyrighted or patented, if at all, in their name except as provided below:

   The Employer shall own copyright only in the following three circumstances:
- **Work for Hire.** The Employer expressly directs a Faculty member to create a specified work, or the work is created as a specific requirement of employment or as an assigned institutional duty that may, for example, be included in a written job description or an employment agreement. Work for hire is a legal term defined in the Copyright Act as ‘a work prepared by an employee within the scope of his or her employment.’ This definition includes works prepared by employees in satisfaction of sponsored agreements between the Employer and outside agencies. Certain commissioned works also are works for hire if the parties so agree in writing.

- **Voluntary Transfer.** The Faculty author has voluntarily transferred the copyright, in whole or in part, to the Employer. Such transfer shall be in the form of a written document signed by the Faculty author.

- **Joint Work.** The Employer has contributed to a “joint work” under the Copyright Act. The Employer can exercise joint ownership under this clause when it has contributed specialized services and facilities to the production of the work that goes beyond what is traditionally provided to Faculty members generally in the preparation of their course materials. Such arrangement is to be agreed to in writing, in advance, and in full conformance with other provisions of this agreement.

Syllabus templates and common policy language, course catalog descriptions, and program and course learning outcomes will remain the property of the Employer. Material created for ordinary teaching use in the classroom and in department programs, such as course schedules, lectures, assignments, and tests, shall remain the property of the Faculty author, but the Employer shall be permitted to use such material for internal instructional, educational, and administrative purposes, including satisfying requests of accreditation agencies for Faculty-authored syllabi and course descriptions.

In an agreement transferring copyright for such works to a publisher, Faculty authors are urged to seek to provide rights for the Employer to use such works for internal instructional, educational, and administrative purposes.

4.4.2. The Faculty member will acknowledge the involvement and support of Cornish College of the Arts.

4.4.3. Nothing herein shall limit the right of Faculty and/or Employer to individually negotiate ownership of materials.

**4.5. ACADEMIC FREEDOM AND RESPONSIBILITY**

4.5.1. Within the context of its mission and values, the institution defines and actively promotes an environment that supports independent thought in the pursuit and dissemination of knowledge. It affirms the freedom of Faculty, staff, administrators, and students to share their scholarship and reasoned conclusions with others. While the institution and individuals within the institution may hold to a particular personal, social, or religious
philosophy, its constituencies are intellectually free to test and examine all knowledge and theories, thought, reason, and perspectives of truth. Individuals within the institution allow others the freedom to do the same. (2020 Standard for Accreditation and Eligibility Requirements Revision Section 2.B.2 Northwest Commission on Colleges and Universities, 2019)

4.5.2. Faculty members are entitled to freedom in research and other creative activities and in the publication, performance or exhibition of the results. Research and other creative activities are not to interfere with the satisfactory performance of commitments to the Employer.

4.5.3. The Faculty member is a citizen, a member of a learned/artistic profession and an employee of the College. When they speak or write as a citizen, they shall be free from institutional censorship or discipline, but they should make every effort to indicate that they are not speaking for the institution.

4.5.4. To encourage creativity and constructive dissent, a Faculty member is entitled to full freedom of discussion in all established College bodies without reprisal.

4.5.5. The foregoing is subject to the proviso that academic freedom and right to expression do not extend to activities which impair the safe functioning of the institution or interfere with the rights of other individuals.

4.6. WORK CONDITIONS AND SAFETY

4.6.1. The work conditions outlined in this article are intended to support an environment that is conducive to creative artistic and academic activity. Within the approved Cornish budget, work conditions will provide Faculty members with the support they need to conduct professional activities and to facilitate learning among their students, including computer equipment and digital technology appropriate to the individual Faculty member’s assigned role or class needs.

4.6.2. The Employer will maintain a safe, healthy and sanitary workplace and environment, consistent with all applicable regulations and laws, including safety training.

4.6.3. No Faculty member is expected to risk injury or illness during employment. Faculty members should take reasonable steps, such as notifying management of any unsafe conditions they recognize during their work. Faculty must notify management, whenever possible, prior to any notification of an outside third party. The Employer will respond to notifications regarding unsafe conditions from the Faculty in a prompt and timely manner, and seek appropriate guidance from external sources when necessary and appropriate.

4.6.4. To provide a method of communicating and evaluating safety and health issues brought up by the Employer or its employees, the Employer will maintain a Safety Committee in accordance with WAC 296-800-13020. Membership on the Committee shall include an equal or greater number of elected than appointed members. Core Faculty from each academic division will elect a representative to serve on the committee. The Committee shall fulfill the duties and responsibilities outlined in the code.
5. **ARTICLE 5: Faculty Evaluations**

5.1. **CORE FACULTY EVALUATIONS**

5.1.1. Each year Core Faculty will complete the evaluation process steps listed below during the Faculty Work Year. Core Faculty will:

5.1.1.1. Identify professional goals and objectives for the academic year

5.1.1.2. Write a narrative self-evaluation

5.1.1.3. Participate in an end of year evaluation conversation with the Academic Dean and/or Department Chair

5.1.1.4. The *Annual Evaluation of Core Faculty Guidelines* contain additional details regarding the evaluation process. The Provost, upon recommendation by the Faculty Senate, may modify the *Annual Evaluation of Core Faculty Guidelines*, provided that the modifications adhere to the terms of this article. If the Guidelines are amended, an updated copy will be provided to the Federation and all Faculty.

5.1.2. While the Department Chair does not have supervisory authority over Faculty, they engage in mentoring and evaluative activities in a consultative manner with and under the supervision of the Academic Dean. Department Chairs will support Faculty evaluation through peer review, classroom observations, and discussion, and provide written information to the Dean relating to annual Faculty evaluations.

5.1.3. The Academic Dean provides and signs the final evaluation, which will be shared with the Faculty member who will sign and date it to acknowledge receipt prior to its inclusion in the Faculty member’s personnel file per Article 4.2. Faculty signature does not indicate agreement with contents of evaluation.

5.1.4. During the probationary period for new Core Faculty, the Department Chair and/or Academic Dean will conduct classroom observation as part of the annual evaluation process, as determined by the Academic Dean.

5.1.5. Classroom observation of Faculty by the Department Chair and/or Academic Dean may occur yearly for Interim Core Faculty and once every three years for Core Faculty who have completed their initial probationary period, as determined by the Academic Dean. Classroom observations must be scheduled at a mutually agreeable time and must be scheduled no less than two weeks in advance of the class to be observed.

5.1.6. The Core Faculty member may respond in writing to the contents of the written evaluation and this written response will be included in the evaluation materials submitted to the Provost.

5.1.7. Evaluation materials will be reviewed by the Provost, which will then be signed and forwarded to the office of Human Resources for inclusion in the Faculty member’s personnel file.
5.1.8. Faculty peers may participate in informal classroom observation and peer-to-peer assessment of Core Faculty, and these observations and assessment materials can be submitted to the Faculty member’s personnel file at the Faculty member’s discretion, as part of the evaluation.

5.1.8.1. Final responsibility for the adherence to processes and procedures for annual evaluations of Core Faculty resides with the Academic Dean and Department Chair.

5.2. ADJUNCT FACULTY EVALUATIONS

5.2.1. Each year Adjunct Faculty will participate in the evaluation process steps listed below during the Faculty Work Year. Adjunct Faculty will:

5.2.1.1. Complete the Adjunct Faculty Self-Evaluation Form by listing classes taught and writing a narrative self-evaluation.

5.2.1.2. Participate in an end of year evaluation dialogue with the Academic Dean or designee.

5.2.1.3. The Annual Evaluation of Adjunct Faculty Guidelines contain additional details regarding the evaluation process. The Provost, upon recommendation by the Faculty Senate, may modify the Annual Evaluation of Adjunct Faculty Guidelines, provided that the modifications adhere to the terms of this article. If the Guidelines are amended, an updated copy will be provided to the Federation and all Faculty.

5.2.2. Evaluation forms will be reviewed by the Academic Dean and/or Department Chair and the Academic Dean will assign a performance ranking and sign the evaluation form, to be shared with the Adjunct Faculty member, who will sign and date the completed evaluation to acknowledge receipt prior to inclusion of the evaluation in the Faculty member’s personnel file per Article 4.2. Faculty signature does not indicate agreement with contents of evaluation.

5.2.3. Classroom observation of Adjunct Faculty by the Academic Dean and/or Department Chair may occur yearly and no less than once every three years for continuing Adjunct Faculty, as determined by the Academic Dean. Classroom observations must be scheduled at a mutually agreeable time, and must be scheduled no less than two weeks in advance of the class to be observed.

5.2.4. The Adjunct Faculty member may respond in writing to the contents of the evaluation, and this written response will be included with the evaluation materials submitted to the Provost.

5.2.5. Evaluation materials will be reviewed by the Provost, which will then be signed and forwarded to the office of Human Resources for inclusion in the Faculty member’s personnel file.
5.2.6. Faculty peers may participate in informal classroom observation and peer-to-peer assessment of Adjunct Faculty, and their assessment materials can be submitted to the Faculty member’s personnel file at the Faculty member’s discretion, as part of the evaluation.

5.2.7. Final responsibility for the adherence to processes, procedures, and timelines for annual evaluations of Adjunct Faculty resides with the Academic Dean and Department Chair.

5.3. UNSATISFACTORY PERFORMANCE: CORE FACULTY

5.3.1. Should a Faculty member’s evaluation process reveal areas of serious concern, those areas of concern must be explicitly stated in writing in the annual evaluation of the Faculty member.

5.3.2. If the areas of concern are serious, persistent, and verified, a course of remediation will be developed collaboratively by the Faculty member and their Academic Dean in consultation with the Provost. Courses of remediation may be initiated immediately following an annual evaluation, or between annual evaluations, to address areas of concern.

5.3.3. Should the need for a course of remediation be determined, a time frame and specific goals and/or agreed upon outcomes will be set, after which the outcomes of these efforts will be evaluated by the Academic Dean and communicated in writing to the Faculty member.

5.3.4. Improvement in the identified area(s) of concern will be documented as an addendum to the evaluation.

5.3.5. Failure to improve in the identified area(s) of concern may be subject to discipline (see Article 6: Corrective Actions and Disciplinary Actions).

5.4. FACULTY PROTECTIONS

5.4.1. The Faculty member has the right to respond to or dispute in writing negative evaluation material (see Article 4.2.2).

5.4.2. If the terms, time-frame and specific goals and/or outcomes of remediation within the evaluation process cannot be mutually agreed upon by the Academic Dean and Faculty member, the Provost will mediate to seek resolution.

5.4.3. If disciplinary action is taken, the Faculty member has the right to respond to such measures according to Article 6: Corrective Actions and Disciplinary Actions.
6. ARTICLE 6: Corrective Actions and Disciplinary Actions

6.1. REPRESENTATION / WEINGARTEN RIGHTS

6.1.1. Faculty shall have the right to have a Federation representative present at any meeting or conference with a supervisor, administrator, or other Employer representative when the Faculty member has a reasonable belief that they may be subject to disciplinary action.

6.1.2. When a Faculty member requests a representative:

   6.1.2.1. It shall be the Faculty member’s responsibility to contact a Federation representative of their choosing.

   6.1.2.2. Within reason, meeting times will be rescheduled to allow for the presence of the Federation representative.

   6.1.2.3. If the representative of choice is not available within a reasonable period of time, or if circumstances warrant immediate interview, the Faculty member must select another representative. Any member of the bargaining unit may serve in this capacity.

   6.1.2.4. The role of the representative will be to assist and counsel the Faculty.

   6.1.2.5. The representative will not interfere with the Employer’s ability to conduct an investigation.

   6.1.2.6. Other or additional witnesses/representatives may be present with the mutual agreement of the Employer, the Faculty member, and the Federation.

   6.1.2.7. Nothing herein shall be construed to preclude a supervisor or administrator from meeting, counseling, and consulting with a Faculty member.

6.2. ORDER OF CORRECTION

6.2.1. Counseling

   6.2.1.1. “Counseling” is defined as guidance or redirection provided by the supervisor to the Faculty member in an effort to avert formal disciplinary action.

   6.2.1.2. A counseling cannot be grieved and may be documented in writing in the Faculty personnel file as a non-disciplinary corrective measure.

   6.2.1.2.1. Such documentation will be provided to the Faculty member and may be referred to in the next Faculty evaluation. Faculty signature indicates acknowledgment of the documentation but not necessarily agreement with the contents.

   6.2.1.2.2. Documentation of a counseling may be attached to the next Faculty evaluation.
6.2.2. **Formal Disciplinary Actions**

6.2.2.1. Formal disciplinary actions shall be administered in accordance with the principles of Just Cause.

6.2.2.2. Although the parties recognize that the concept of Just Cause incorporates the principle of progressive discipline, they also understand that in certain circumstances, the Employer might be warranted in imposing discipline that does not follow the progressive disciplinary action. Should the Employer impose discipline that does not follow the progression, it shall provide the Faculty member and Federation with a written explanation for the discipline within seven (7) days of the imposition of such discipline.

6.2.2.3. No formal disciplinary action will be imposed without an appropriate investigation except under the circumstances referred to in Article 6.2.2.2.

6.2.2.4. The order of disciplinary action is:

6.2.2.4.1. Written Warning

6.2.2.4.2. Final Written Warning or Suspension without pay

6.2.2.4.3. Dismissal

6.2.2.5. The Faculty member and the Federation shall be notified in writing prior to formal disciplinary action being imposed.

6.2.2.6. Notification shall include a statement of all charges and all supporting documentation with sufficient detail for the Faculty member to understand the decision to impose the disciplinary action and in enough detail for the Faculty member to effectively respond to the decision.

6.2.2.7. The Faculty member shall have seven (7) days to respond to the decision orally and/or in writing.

6.2.2.8. Any grievance of imposed disciplinary action shall be filed in accordance with Article 7: Grievances and Informal Settlement of Differences.

6.3. **INVESTIGATIONS**

6.3.1. Investigations of allegations of misconduct or complaints made against a Faculty member shall be conducted in a timely manner. Details of complaints against a Faculty member must be documented in writing either by the complainant or by the individual receiving the complaint (initiated by the complainant).

6.3.1.1. Nothing herein precludes the Employer from gathering information prior to and in order to determine if an investigation is warranted.

6.3.1.2. The decision to investigate will be made within fourteen (14) calendar days of the date of the allegation or complaint.
6.3.1.3. Notification will include:

6.3.1.3.1. The details of the allegation or complaint.

6.3.1.3.2. Notice that the Faculty member is entitled to representation as stipulated in Article 6.1.

6.3.1.4. All investigations will be completed within thirty (30) calendar days from the date the Faculty member was notified. If the investigation cannot be completed within 30 days, the Employer will advise Faculty member and the Federation of the need for an extension.

6.3.1.5. Because fair and equitable treatment is a shared value, the Faculty member will be accorded the right to offer relevant witnesses and evidence during the investigation.

6.3.1.6. Within fourteen (14) calendar days of the completion of any formal investigation, the Faculty member and the Federation will be notified of the results of the investigation and the Employer’s decision concerning further action, if any.

6.3.1.7. The Employer will inform both the Faculty member and the Federation if a complaint is filed against the Faculty member involving professional licensing boards or law enforcement agencies. The Employer will provide the Faculty member and the Federation with a copy of any such written complaint at the time it is filed.

6.3.1.8. When a Title IX complaint or an allegation of a Title IX violation is received by the Employer, any resulting Title IX investigation has priority over any related investigation or discipline under the Agreement. A Title IX investigation is a fact-finding process and is not disciplinary. If the investigation finds the complaint or allegation to have merit, any further action in regards to the employee shall be conducted under the provisions of the Agreement. Information obtained during the Title IX investigation may be used in any subsequent investigation or disciplinary action. The employee has the right to representation at any meeting they are to attend.

6.4. ADMINISTRATIVE LEAVE

6.4.1. Nothing in this article precludes the Employer from placing a Faculty member on paid administrative leave pending the results of an investigation, if the allegation or complaint would reasonably result in formal disciplinary action should the charges be substantiated.

6.4.2. Administrative leave is not a formal disciplinary action. Its imposition can be grieved should it be imposed arbitrarily or unfairly or is of unreasonable duration.
7. ARTICLE 7: Grievances and Informal Settlement of Differences

7.1.1. GENERAL

7.1.1.1. A Grievance is defined as an alleged violation of this Agreement by the Employer, including a misinterpretation or misapplication of this Agreement.

7.1.1.2. Intent to reach settlement: Grievances shall be raised at the lowest level where settlement of the issue(s) can be made, the level at or above that at which the violation has been alleged.

7.1.1.3. Informal Settlement: An Informal Settlement of Differences (see Article 7.2.1) is not a formal Grievance and may be pursued independently by an individual Faculty member with or without the participation of the Federation.

7.1.1.4. Federation approval: Any formal Grievance must be approved and filed by the Federation President or designee.

7.1.1.5. Filing deadline(s): Except in situations in which the process for the Informal Settlement of Differences has been invoked (Article 7.2.1), in which case the timelines set forth therein shall apply, any formal Grievances must be filed within thirty (30) calendar days after the Federation knew or should have known of the circumstances identified. If a Faculty member has been subjected to adverse action about which the Employer is not required to notify the Federation (i.e. such as reduced hours, negative evaluation, non-renewal of Adjunct Faculty), any formal Grievance must be filed within thirty (30) calendar days of the adverse action.

7.1.1.6. Timely processing: Once filed, formal Grievance shall be processed as rapidly as possible, in keeping with the timelines stipulated in Article 7.1.1.5.

7.1.1.7. Extensions of timelines: Following the initial filing of a formal Grievance, the timelines herein may be extended by mutual agreement, in writing, of the Federation and the Employer.

7.1.1.8. Failure to respond: If the Federation fails to meet any filing deadline or to submit the Grievance to the next level as stipulated, the Grievance shall be deemed closed and settled on the basis of the Employer’s last answer unless the parties mutually agree to extend the timelines.

7.1.1.9. Bypassing steps: any of the steps of the Grievance procedure may be bypassed with the mutual written consent of the parties.

7.1.1.10. Submission of evidence: All evidence, arguments, reasons, and documentation supporting a Grievance must be submitted in the course of the formal Grievance process (Steps 1-2) in order to be presented in the course of binding arbitration (Step 4). The Federation shall make a good faith effort to provide all such information at Step 1.
7.1.1.11. All Grievance meetings shall be held during normal business hours unless alternative times are mutually agreed to.

7.2. GRIEVANCE PROCEDURE

7.2.1. Informal Settlement of Differences

7.2.1.1. Any Faculty member who believes a violation of this Agreement has occurred, or the Federation on behalf of an individual Faculty member or a group of Faculty regarding a common concern, may meet with Employer personnel responsible to attempt to informally resolve all differences and questions which may arise from this Agreement.

7.2.1.2. The request for such a meeting must be submitted in writing within fourteen (14) calendar days after the date on which the Faculty member and/or Federation knew or should have known of the circumstances identified.

7.2.1.3. After such a request has been made, the parties shall meet and earnestly attempt to resolve all differences and questions identified.

7.2.1.4. This meeting, any resolution, and documentation of any resolution or acknowledged failure to reach resolution shall be completed within fourteen (14) calendar days after the date the Employer’s representative receives the initial request.

7.2.1.5. If resolution cannot be reached, the Federation may file a formal Grievance within fourteen (14) calendar days after receipt of written notice of failure to reach resolution or within fourteen (14) calendar days of the date by which a written notice of failure to reach resolution should have been provided.

7.3. GRIEVANCE STEPS

(For filing deadlines, refer to Article 7.1.1.5.)

7.3.1. Step 1 - Human Resources

7.3.1.1. If an Informal Settlement of Differences is undertaken and fails, the Federation may file a Grievance in writing to the Director of Human Resources within fourteen (14) calendar days from the receipt of notice of failure of the informal process.

7.3.1.2. If no such attempt is made, the Federation must file the Grievance within thirty (30) calendar days of the date it became aware of, or should have become aware of the alleged violation.

7.3.1.3. The Grievance shall be filed electronically with the Human Resources department.

7.3.1.4. The Director of Human Resources shall meet and discuss the matter with the Federation representative presenting the Grievance. At this meeting, the Federation will have the opportunity to present evidence, arguments, and witnesses in support of the Grievance.
7.3.1.5. The Director of Human Resources shall respond in writing to the Faculty member and Federation President.

7.3.1.6. This process—the Grievance meeting, the determination, and the written response—shall be completed within fourteen (14) calendar days of the date the Grievance was filed unless an extension is mutually agreed upon.

7.3.2. Step 2 – President’s Review

7.3.2.1. The Federation may forward the Grievance to the President or the President’s designee within seven (7) calendar days after the deadline for receiving the Director of Human Resources’ written response if it is not satisfied with the response or if no response is forthcoming.

7.3.2.2. The President (or the President’s designee) shall meet with the Federation representative and respond in writing within fourteen (14) calendar days after receiving the request.

7.3.3. Step 3 – Mediation (Optional)

7.3.3.1. By mutual agreement, the parties may at any time jointly request mediation by the Federal Mediation and Conciliation Service (FMCS).

7.3.3.2. Any Grievance not resolved in mediation may be submitted by the Federation to engage in arbitration within fourteen (14) calendar days after the date the mediator or any of the parties declare an impasse.

7.3.3.3. In the event mediation fails to reach agreement on the issue before the parties, any offers of settlement made during the mediation process shall not be used as an admission of wrongdoing by any party.

7.3.4. Step 4 – Arbitration

7.3.4.1. Within fourteen (14) calendar days after the deadline for receiving the President’s written response, if the Federation is not satisfied by that response or if no response is forthcoming, the Federation may notify the Employer of its intention to submit the Grievance for binding arbitration.

7.3.4.2. Simultaneously with providing notice to the College, the Federation shall send a letter to the FMCS requesting a panel of seven (7) labor arbitrators located in the State of Washington.

7.3.4.3. The Federation and the Employer shall alternately strike from the list until only one arbitrator remains. The party to strike first shall be determined by coin toss. The remaining arbitrator shall hear the case. This process shall be completed within seven (7) days after the parties receive the list.

7.3.4.4. The parties shall promptly confer with the arbitrator to discuss the following topics:
   • Burden of proof;
   • Scheduling of hearings for the earliest date available to the parties, witnesses,
and arbitrator;
- Completing the hearing and obtaining a decision as quickly as possible;
- Any other procedural matters.

7.3.4.5. Unless otherwise mutually agreed, the parties shall forgo the submission of post-hearing briefs and request that the arbitrator provide a preliminary oral ruling immediately after closing arguments have been made, followed by a consistent written decision as soon thereafter as possible.

7.3.4.6. The decision of the arbitrator shall be final and binding.

7.3.4.7. The fees and expenses of the arbitrator shall be shared equally by the Federation and the Employer.

7.3.4.8. Each side shall be responsible for the costs of presenting its own case, including attorney’s fees.
8. ARTICLE 8: REDUCTION IN FORCE

8.1. DEFINITION

Reduction in force refers to the involuntary termination or reduction of a Faculty member’s employment for reasons unrelated to the Faculty member’s performance. Reductions in force may result from program changes, financial exigency, or financial emergency.

8.2. REDUCTION IN FORCE DUE TO PROGRAM CHANGES

8.2.1. A “program change” is defined as a change that includes the reconfiguration, reduction, or discontinuation of a program as approved by the Board of Trustees which results in an elimination or reduction of Core Faculty positions.

8.2.2. In the event of program change, the Employer will provide the Federation notice of the change with the number of Faculty positions affected and the identified Faculty specializations needed including relevant information such as student demand and the availability of resources.

8.2.3. The Employer will make reasonable efforts to plan any program changes to minimize the need for reductions in force. When a reduction-in-force is required, the Employer shall determine which Faculty positions shall be laid off. Recommendations of the Academic Dean as well as Faculty skills, expertise, specialization, and seniority will be taken into consideration.

8.2.4. When a Core Faculty member’s workload is reduced by program changes, the Employer will offer the affected Faculty member equivalent workload units (WU) within the College whenever such WU are available, provided the Core Faculty member is qualified to teach in the subject area. This offer by the Employer will be made in writing.

8.2.5. When a Core Faculty member’s position is to be discontinued as a result of program discontinuance, reconfiguration or reduction, the Employer will offer said Faculty member(s) another teaching position wherever a position is available, provided the Faculty member is qualified to teach in the new position. The affected Faculty member shall also be offered an opportunity by the Employer to present, either in person or in writing, an alternative Faculty position or set of courses that they are qualified to teach for consideration by the Employer. The Employer will respond to the Faculty member in writing.

8.3. REDUCTION IN FORCE DUE TO FINANCIAL EXIGENCY

8.3.1. A “financial exigency” is defined as a condition of projected deficit (such as low enrollment, decrease in funding, or other action or events that prevent or inhibit the Employer’s ability to continue the employment or level of employment of Faculty) in the Employer’s budget of such an order of magnitude that a reduction of Faculty members could be necessary.

8.3.2. The Employer may notify the Federation of a state of financial exigency that necessitates
layoff of Faculty. The following processes for reducing the size of the Faculty may be utilized, only after consultation with the Provost, the Federation, Academic Deans, and the Faculty Senate. As part of this consultation process, the Employer shall make available budget and other relevant data to allow all parties to assess the financial exigency. All parties shall exercise discretion regarding financial information related to exigency.

8.3.3. If the Employer notifies the Federation of the need for a reduction in force due to a financial exigency, the Employer will provide not less than 120 days written notice to the Federation prior to layoffs. The Employer will prepare a plan to address the financial exigency and will provide that plan to the Federation and the Faculty Senate during the first 60 days of the 120-day period. The plan will include the budgetary cuts and efficiencies proposed or implemented by the Employer and the Faculty positions identified for layoff.

8.3.4. During a period of financial exigency, all members of the Faculty are subject to reassignment to accommodate curricular changes made necessary by staffing and budget reductions.

8.3.5 Once Faculty layoffs occur, or 365 calendar days pass from the initial date of the notification of the intended reduction of force due to financial exigency, whichever comes first, the process and timeline within Article 8.3.2 and Article 8.3.3 will reset.

8.4. REDUCTION IN FORCE DUE TO FINANCIAL EMERGENCY

8.4.1. A “financial emergency” is defined as a sudden, catastrophic situation (including, but not limited to a natural disaster, public health crisis, or act of terror) that requires immediate budget reductions of such a magnitude that the layoff of Faculty is necessary and of such urgency that the procedures and timeline outlined in Article 8.3 cannot reasonably be followed.

8.4.2. If the Employer determines that a financial emergency requires a reduction in force, the Employer will notify the Federation as soon as possible. The notice will include the reasons for the determination and the Employer’s planned response. Any reduction in force that results from a financial emergency will, to the extent practical, follow the steps and timelines described in Article 8.3.

8.5. ORDER OF REDUCTIONS IN FORCE

In cases of Financial Exigency or Financial Emergency and following any voluntary reductions, reductions in force of Faculty will first affect Adjunct Faculty in the curricular area being reduced. Reductions of Core Faculty will be on the basis of seniority within the curricular area being reduced, provided that skills and abilities are equal. In selecting Adjunct and Core Faculty for reduction, the College’s ability to provide necessary curricula will be given consideration. In evaluating skills and abilities, the College will take into consideration the prior performance evaluations of the qualified Faculty members.
8.6. DESIGNATED HIRING POOL

8.6.1. Core Faculty members who have lost an appointment due to any reduction in force shall remain in a designated hiring pool for two (2) years following the reduction.

8.6.2. Core Faculty in the designated hiring pool shall be the first to be rehired, without the need for a search, should finances/enrollment trends reverse and a vacancy open for which they are professionally qualified. Core Faculty who do not respond to or who decline an offer for rehire shall be removed from the designated hiring pool.

8.6.3. All Core Faculty terminated under the provisions of this section and who are subsequently rehired from the hiring pool shall retain all accrued benefits such as salary step, rank, and seniority.
9. ARTICLE 9: LABOR-MANAGEMENT COMMITTEE

9.1 CREATION  A Labor-Management Committee shall be maintained to provide a forum for communication between the parties and to promote constructive union-management relations.

9.2. MEETINGS
Committee meetings will be used for discussions and shared problem-solving only, and shall have no authority to conduct any negotiations or to modify the provisions of this Agreement, and are not intended to bypass the grievance procedure.

9.3. COMMITTEE COMPOSITION
The Labor-Management Committee will consist of up to four (4) Faculty members selected by the Federation; and up to four (4) Employer representatives selected by the Employer. At the start of each academic year, the parties will notify each other of their Labor-Management Committee representatives, which may change during the course of the year.

9.4. SCHEDULE OF MEETINGS
The Labor-Management Committee will meet once each semester on mutually agreeable dates provided agenda items are proposed. Additional meetings will be scheduled on an as-needed basis.

Either party may request a meeting of the Labor-Management Committee by sending a written request, including a description of the issue(s) to be addressed, to the other party. When requested, a Committee meeting will be scheduled at a mutually acceptable time and place.

9.5. AGENDAS

● Participating in new Faculty and new student orientation
● Attending student, Faculty, and College sponsored events and activities
● Mentoring new Faculty

12.2.4.3. Faculty - Some professional collegial activities to be considered in this category are:
● Assisting colleagues in using technology
● Writing letters of nomination/recommendation
● Assisting colleagues in professional endeavors
● Mentoring new Faculty members
● Substituting occasionally for colleagues per Article 11.2.4.1
● Serving as an elected official or negotiator for the Cornish Federation of Teachers

12.2.5. “Professional Development” is defined in reference to a wide variety of specialized training, formal education, or advanced professional learning intended to help Faculty members improve their professional knowledge, competence, skill, and effectiveness. Professional Development activities may be considered as either Teaching and Instruction, Creative Practice Research and Scholarship, or Service, depending on the focus of the specific training, education, or advanced professional learning opportunity.
12.3. WORKLOAD ASSIGNMENTS

12.3.1. Expectations and equivalencies for Core Faculty workload are based on the generalized standard of 40 hours per week during an academic year.

12.3.2. Expectations are designed to ensure student access to required and elective courses, provide opportunities for Faculty to meet their College and professional service commitments, and support individual and collective scholarship or creative practice. These and the instructional activities of each Faculty member are inextricably entwined, with one enriching the other.

12.3.3. Distribution of Effort: Core Faculty effort is generally distributed into duties in the following areas during an academic year:
   • 60% Teaching & Instruction (60% = 9 WUs per semester)
   • 20% Creative Practice, Research, and Scholarship
   • 20% Service Contributions to the Department and/or College

12.3.4. In special circumstances a Core Faculty member’s balance of duties may vary from the standard 60/20/20 by mutual agreement of the Faculty member, Academic Dean, and Provost.

12.3.5. Workload Assignment: In consultation with the Department Chair, the Academic Dean, with approval of the Provost, assigns the teaching assignments and class schedule for each individual Faculty member. The Academic Dean may assign workload units, with the approval of the Provost, for specific Service or Creative duties that are considered essential to the academic mission of the College. Distribution of Effort (Article 12.3.3) and the appropriate application of workload equivalencies (Article 12.3.12) are decided upon by the Provost, in consultation with the Academic Dean, Department Chair, and Faculty member.

12.3.6. Staffing: The Academic Dean assigns Faculty members to teach courses. The primary considerations for course assignments are teaching experience, subject expertise, past performance, and shared responsibility among the Faculty body to engage in service.

12.3.7. Scheduling: The Academic Dean is responsible for scheduling of classes. The primary consideration for scheduling classes is the need for students to meet program or major requirements within a reasonable time frame. The scheduling of some classes may be determined by the need to serve nontraditional students.

12.3.8. Summer Teaching: Undergraduate summer teaching cannot be guaranteed to any Faculty member, assignments are for a partial load, when offered, and may be declined by Faculty. Size, content, and staffing of summer courses are dictated by budgetary constraints and curricular needs.

12.3.9. Faculty Committees: Serving on Department and College-wide committees and task forces constitutes service. Non-instructional administrative or other work contributions by Core Faculty also constitutes service. All committees are not created equal. As such, the
Faculty Senate will annually review the required work of committee members in order to ensure that institutional service is completed and that it is balanced among the Faculty.

12.3.10. **Other Faculty Duties:** To provide quality teaching and mentorship of students, Faculty are expected to comply with College and Department, requirements as well as policies that have been provided to the Faculty member. Faculty shall participate in Title IX and Civil Rights, FERPA, safety, and other trainings necessary to carry out their responsibilities. Adjunct Faculty instructed to complete training sessions by a supervisor or Human Resources will be compensated at the Adjunct Faculty academic support services rate in Article 2.1.2.8. Core Faculty are expected to participate in recruitment, graduation and convocation ceremonies, and other activities appropriate to their role as Faculty.

12.3.11. **Reassigned Time:** There are times a Core Faculty member might be asked by the Academic Dean or the Provost to assume a mission critical responsibility beyond what would normally be expected of service, as listed in Article 12.2.4. In these cases the Core Faculty member will receive reassigned instructional time sometimes referred to as “course release” calculated as Workload Units and/or a redistribution of effort to perform these responsibilities. Core Faculty may apply to the Academic Dean or Provost for reassigned instructional time. All Faculty reassignments are approved by the Provost.

12.3.12. **Annual Workload Equivalencies:** These College annual Workload Units are authorized and overseen by the Provost.
- Faculty Senate President -- 3 WU per semester
- Writing Center Director -- 9 WU per academic year
- Visual Arts Foundation Director -- 9 WU per academic year
- Department Chair – 12 WU per academic year. Co-Department Chairs share the WU.
- Area Heads – 0 WU to 6 WU per academic year. Determined by the Provost and Academic Dean in consultation with the Department Chair and the Area Head at the time of appointment and reviewed annually in consideration of factors including size and complexity of the Area, student enrollment, and the degree of curricular independence.

### 12.4. WORKLOAD UNITS

12.4.1 **Workload Units:** In order to closely align Faculty Teaching with the student experience, the Credit Hours a student receives for a class will garner equivalent Workload Units for Faculty.

- Student Credit Hours = Faculty Workload Units (WU)

12.4.2 **Annualized 18 Workload Units per Academic Year:** 1.0 FTE for Core Faculty is established as teaching 18 WU per academic year, usually as 9 WU per semester. Any Core Faculty teaching load in excess of 18 WU annually will be an overload.

12.4.3 **Overload:** To maintain a quality standard of teaching and the desirability of Faculty involvement in scholarship, creative practice, and service activities, overload assignments will be made sparingly.
Core Faculty may teach greater than 9 WU in a semester, which will be offset by teaching the equivalent less than 9 WU the other semester of the same academic year. Any Core Faculty overload beyond 18 WU will be rare and at the agreement of Faculty, Academic Dean, and Provost. This agreement to an overload will occur at the time a potential or actual overload is proposed, including when a Faculty member is requested to teach more than 9 WU in Fall semester. Any overload for Core Faculty will pay out in spring semester, at which time the overload of annualized workload will be confirmed.

Core Faculty overload will be paid at 60% of their rate on the Core Faculty Salary/Rate grid as established in Article 10.1.1.5 and Article 10.1.1.6 regarding overage.

12.4.4 Exceptions
The following exceptions are applied:

12.4.4.1 Where Contact Hours are twice the Credit Hours, WU = Credit Hours + 0.25

Examples: 2 Credit Hours / 4 Contact Hours = 2.25 WU
            3 Credit Hours / 6 Contact Hours = 3.25 WU

12.4.4.2 Where Contact Hours are greater than twice the Credit Hours, WU = Credit Hours + 0.5

Examples: 2 Credit Hours / 5 Contact Hours = 2.5 WU
            3 Credit Hours / 7 Contact Hours = 3.5 WU

12.4.4.3 Independent Study = 0.25 WU

12.4.4.4 Additional exceptions may be made with approval of the Provost.

12.4.4.5 Private Instruction

For Private Instruction in both Music & Theatre, WU = Contact Hours x 0.5. Adjunct Faculty will receive 12.5% above posted rates for Private Instruction.

12.5. CLASS SIZES
The Employer uses caps and maximums for class registration. A “cap” is the number of students who can regularly enroll in the class and is a tool that preserves additional spaces for priority enrollment. The Registrar approves registration of students above the cap, up to the maximum. The “maximum” is established by the Employer and is based on factors including the type of class, the facility, and applicable health and safety standards.

If the Registrar seeks to exceed a maximum, the Faculty member, the Department Chair, and the Academic Dean must agree to exceed the limit.

For the 23/24 academic year, the maximum for studio classes is 18 and the maximum for lecture classes is 28.

This section 12.5 does not prohibit the creation of additional class modalities.
13. ARTICLE 13: Duration

13.4 Negotiations on a successor Agreement shall be opened no later than October 30, 2024, with a target date for ratification by April 10, 2025.

13.5 The parties agree to reopen this Agreement in August 2024 on the following topics. Negotiations on these reopened topics shall begin no later than January 30, 2024, with a target date for ratification by May 30, 2024.

13.5.2 Should the Employer create a new Director or comparable leadership position held by a Federation member, Section 12.3.12 will be reopened for negotiation regarding the WU assignment for the position.

13.5.3 The parties agree to establish a Labor Management Committee led taskforce to evaluate and propose equitable adjustments to Article 12’s Workload Exceptions, beginning the taskforce meetings in the Fall semester of the 2023-2024 Academic Year.

13.5.4 The parties agree to establish a Labor Management Committee led taskforce to evaluate and propose equitable class caps and maximums, beginning the taskforce meetings in the Fall semester of the 2023-2024 Academic Year. The taskforce will include representation from the Federation, the Faculty Senate (including the Faculty Curriculum Committee), and the Employer (including Academic Affairs, Student Affairs, and Finance.)

Rates for Core Faculty Overtages (Article 10.1.1.5), and Summer Teaching (Article 10.1.3) are calculated via the following formulas:

**Core Faculty Overage Rate** = Yearly Salary ÷ 34 weeks (for regular Core) or 38 weeks (for Chairs) ÷ 9 WU (1.0 FTE for a Semester) x 60%

**Payment for Overage** = Overage Rate x Course WU x Weeks (generally 17 weeks per Semester)

**Summer Teaching** is calculated as the equivalent of one Semester within the regular Faculty Work Year (17 weeks) for the purpose of these formulas.
